

Malta's Third OGP National Action Plan

Questionnaire

Part 1 – Respondent details

| | |
|----------------------|---------------------|
| Title | Organisation |
| Name | Address |
| Surname | Street |
| Position | Town |
| Contact Phone | Postal Code |
| Contact Email | Sector |

Part 2 – Consultation questions

Question 1 – From your/ your organisation's point of view, how would you rank the OGP grand challenges in order of importance?

Assign numbers from 1 to 5 to each of the grand challenge, assigning 1 to the most important grand challenge and 5 to the least important one.

| Grand Challenge | Rank |
|---|--------------------------|
| <ul style="list-style-type: none">• Improving Public Services—measures that address the full spectrum of citizen services including health, education, criminal justice, water, electricity, telecommunications, and any other relevant service areas by fostering public service improvement or private sector innovation | <input type="checkbox"/> |
| <ul style="list-style-type: none">• Increasing Public Integrity—measures that address corruption and public ethics, access to information, campaign finance reform, and media and civil society freedom | <input type="checkbox"/> |
| <ul style="list-style-type: none">• More Effectively Managing Public Resources—measures that address budgets, procurement, natural resources, and foreign assistance | <input type="checkbox"/> |
| <ul style="list-style-type: none">• Creating Safer Communities—measures that address public safety, the security sector, disaster and crisis response, and environmental threats | <input type="checkbox"/> |
| <ul style="list-style-type: none">• Increasing Corporate Accountability—measures that address corporate responsibility on issues such as the environment, anti-corruption, consumer protection, and community engagement | <input type="checkbox"/> |

Question 2 – Based on the action points under previous OGP National Action Plans, and from your/ your organisation’s point of view, what could be done to realise the aspirations of the grand challenges or improve their respective outcomes in Malta?

Kindly answer succinctly the question being posed and at a generic level rather than specific sectoral, micro or detailed input.

| Grand Challenge | What could be done to realise the aspirations of the grand challenge or improve respective outcomes in Malta? |
|---|---|
| <ul style="list-style-type: none"> • Improving Public Services—measures that address the full spectrum of citizen services including health, education, criminal justice, water, electricity, telecommunications, and any other relevant service areas by fostering public service improvement or private sector innovation | |
| <ul style="list-style-type: none"> • Increasing Public Integrity—measures that address corruption and public ethics, access to information, campaign finance reform, and media and civil society freedom | |
| <ul style="list-style-type: none"> • More Effectively Managing Public Resources—measures that address budgets, procurement, natural resources, and foreign assistance | |
| <ul style="list-style-type: none"> • Creating Safer Communities—measures that address public safety, the security sector, disaster and crisis response, and environmental threats | |
| <ul style="list-style-type: none"> • Increasing Corporate Accountability—measures that address corporate responsibility on issues such as the environment, anti-corruption, consumer protection, and community engagement | |

Question 3 - Are there any approaches taken up by other governments which your organisation believes the Government of Malta could or should adapt locally?

Kindly answer succinctly the question being posed and at a generic level rather than specific sectoral, micro or detailed input.

Approaches used by other governments that you believe the Government of Malta could or should model

Thank you!
