Consultation on English Language Teaching (ELT) Council Regulation

Feedback from : Britannia College Tutors

OPINION

'My only comments are that council members should be eligible for re-election for 2 or 3 consecutive terms but not longer. This will be 6 to 9 years. I think there should be space for new blood after this.

The other thing is that I still feel that the 18 years limitation for teachers should be moved up a notch.

Otherwise I think the fee range is fair and all other regulations are common sense.'
