Consultation on English Language Teaching (ELT) Council Regulation

---

Feedback from : Julia Pearson

### **OPINION**

Teachers are asking if the 4 year renewal time will start from the last time they renewed or from the next time - for example if their permit was renewed in April 2014 will they now have to renew it in April 2018 and will CPD they did since April 2014 be valid or will they have to renew in April 2015 and then again in 2019??
