Consultation on English Language Teaching (ELT) Council Regulation

---

Feedback from: LC/MEDE/ELT-01

### **OPINION**

Bearing in mind that the majority of EFL teachers are on Part time/ freelance basis, all applications and renewals are recommended to be done and paid online by individual teachers to avoid the burden on schools.

Re School Licence

We feel that once the Licence has been issued by the Board and yearly inspections are proven to be all in line, we find no reason for the necessity of licence renewal as proposed.
